Subject: Application for Grant of Full Fee Concession

Respected Sir,

It is started with the most respect, I am a student of _____ [*the class here*] in your respective school. I want to say that I am from poor family background, my father/guardian gets a decent salary of Rs. _____ [*Here Salaried Amount*] per month, which is supported by 7 family members.

In these days of rising prices, it is very difficult for my father to sustain both. My brother and sister are also getting some concession in fees in their schools. So I request you to get my full fee concession as well. I am a good and disciplined student so I can continue my studies. I hope you will consider my application as soon as possible.

Thinking You.
