

NOC Letter Format for Bank

To,

The Bank Manager,

(Bank Name),

(Branch Address).

Sub: - Application for Noc Certificate

Dear Sir,

I should start with the possibility that I took a loan from your bank (**written loan amount**) for the purchase of my bike two years ago so that I paid it in the full amount of the loan on the previous week (date) **without** interruption. Now I want to build my house; the new state government's policy is that the person should be solvent and pay all his debts. (**mention your situation**).

The Bank NOC is needed as evidence. I humbly request you to give me NOC from your bank to build my house.

Thank You.

Yours Sincerely,
